

Solar Garden Light

The Solar Garden Light is ideal for both pole and wall mounting installations. This light includes a PIR motion/proximity sensor as well as 3 lighting modes to choose from and a remote control to externally control your light.

All Star 8 solar lights maximise battery life and charge life because they incorporate adaptive lighting, variable frequency and temperature control patented technologies.

- ✓ 3 installation options in each kit
- ✓ 2-year product warranty (battery included)
- ✓ 5+ nights of continual lighting per charge
- ✓ Remote control included
- ✓ PIR motion/proximity sensor
- ✓ Adjustable angle bracket
- ✓ LED display (shows charge %, lighting mode etc)
- ✓ Rain sensor (LED will automatically switch to 3000K in rain for increased visibility, this function can be disabled if needed)
